

FACOLTA' DI ECONOMIA

SETTIMANA ZERO: 18/22 SETTEMBRE 2017

Risultati e INFO Test di Lingua Inglese Matricole 2017

Il test di piazzamento che avete svolto serve per rendervi consapevoli del vostro attuale livello di conoscenza della lingua inglese (NON è un esame e NON dà crediti).
Le esercitazioni e gli esami Lingua I e Lingua II si terranno nel secondo e nel terzo anno del corso di laurea.

Risultato: da 0% a 55% - è necessario riprendere o continuare in modo autonomo lo studio della lingua! Le esercitazioni previste al secondo anno del corso di laurea NON cominciano da un livello principiante.

Il CSAL mette a disposizione un servizio di auto-apprendimento guidato (<http://www.csal.univpm.it/it/autoapprendimento>). Per sapere di più venite al CSAL durante gli orari di consulenza dei collaboratori linguistici (per gli orari consultare il sito: <http://www.csal.univpm.it/it/esperti-linguistici>).

Risultato: da 56% al 70% - è consigliato cercare di mantenere e/o migliorare il livello raggiunto. Il CSAL mette a disposizione un servizio di auto-apprendimento guidato (<http://www.csal.univpm.it/it/autoapprendimento>) e organizza esercitazioni per conseguire le certificazioni linguistiche. Per sapere di più venite al CSAL durante gli orari di consulenza dei collaboratori linguistici (per gli orari consultare il sito: <http://www.csal.univpm.it/it/esperti-linguistici>).

Risultato: 71% al 100% - complimenti! Il livello attuale è buono, ma se non cercate di mantenere questo livello, può scendere rapidamente! Potrebbe essere interessante ed utile frequentare le esercitazioni per conseguire una certificazione linguistica. Per sapere di più venite al CSAL durante gli orari di consulenza dei collaboratori linguistici (per gli orari consultare il sito <http://www.csal.univpm.it/it/esperti-linguistici>).

NOTA BENE! Il test di piazzamento che avete fatto è per la lingua inglese. Tuttavia la lingua inglese **NON** è obbligatoria presso la Facoltà di Economia.

Al momento dell'iscrizione avete la possibilità di scegliere Francese, Inglese, Spagnolo o Tedesco. Inoltre in un mondo sempre più **MULTICULTURALE** è vantaggioso conoscere più lingue. Pensateci!
I servizi del Centro di Supporto per l'Apprendimento delle Lingue sono a vostra disposizione!

**ECONOMIA - TEST di Piazzamento Lingua Inglese
del 21 Settembre 2017**
